Opis produktu

Save the birds As the night falls, the birds are still far from their nests Memorise and observe the traits of your feathered friends and return them to their natural habitat before dark. The more birds you return to their habitat before nightfall, the higher your score will be at the end of the game. But beware, the owls are on the prowl Fly Home is part of the Fun by Nature range from Helvetiq. This range is a collection of games that are produced in an eco-friendly and socially responsible way. Their original mechanisms and themes highlight the importance of the protection and preservation of nature.
