### Opis produktu

Collect as many ice creams as you can of your favorite shape and/or flavor! Cherries will gain you extra points, but be careful not to find the door closed when you go to the shop, or you might see your score melt away like ice in the sun

Kawaii is a dynamic card game where your goal is to get the most valuable pile before other players do so.

In order to succeed you need to constantly observe other players actions, use your memory and act fast, with no hesitation.
